Education

Armuchee High School

High School Diploma

Armuchee, Ga

Aug. 2021 - May 2025

Georgia Institute of Technology

Atlanta, Ga

Bachelor's in Computer Science

Aug. 2025 - present

Experience

Team Leader

Chick-Fil-A

Sep. 2022 – Aug. 2025

Armuchee, Ga

- Directed daily operations in a high-flow fast paced environment, ensuring a consistent customer-oriented focus
- Practiced conflict resolution to ensure smooth team member interaction and unity
- Trained team members to practice customer-first operations, prioritizing guest experience, and customer care, instilling our signature 2nd mile service
- Coordinated cross-functional teams to align workflows across multiple environments and maximize system efficiency
- Engaged in adherence to brand standards, ensuring consistent customer satisfaction and building brand loyalty
- Enforced food safety standards, ensuring that product and processes followed exceeded ServeSafe industry standards
- Became proficient in utilizing internal tools such as Servicepoint, CFAHome, Inform, Pathway 2.0, and CFA Now.

Projects

CS Lab 01 | Python, Streamlit

Sep. 2025

- Developed functional Web Application with Python and Streamlit
- Engineered a dynamic platform enabling real-time interaction with complex datasets
- Created intuitive, user-friendly interfaces simplifying workflows and allowing for ease of use for non-technical users.

Technical Skills

Languages: Python

Developer Tools: VS Code

Libraries: pandas, NumPy
